Canadian Junior Angus Showdown 2020 Rescheduled for 2021

May 5, 2020

Canadian Junior Angus (CJA) has made the difficult decision to cancel our National Junior Angus Show, Showdown 2020, scheduled for Brandon, Manitoba this July due to the COVID-19 pandemic. The health and safety of our members and their families are our priority and with the uncertainty of what the summer will bring with the virus, government regulations and travel, cancelling the show was really the only responsible option available to us. We are disappointed that we will not be able to get together with our Junior Angus family this summer, however we look forward to heading to Brandon next July 22–24 for Showdown 2021.

Any 2020 entries received will be refunded and sponsors will be contacted regarding refunds and/or deferring their sponsorship to next year's show.

The CJA board are working on details for a Showdown 2020 Online Challenge to engage with members across the country July 20–25, so please watch the CAA website and our social media channels for more information on the Challenge in early June. We encourage your participation!

If you have any questions or concerns, please feel free to reach out to any CJA board member. Stay safe and healthy.
